MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of the Subcommittee on Asian and Public Affairs,
House Foreign Affairs Committee, 1 March 1983

1. Briefing Subjects and Participants. Charles Waterman, NIO/NESA, presided over presentations by DIA, State/INR and CIA analysts on a number of South Asian regional subjects. My briefing covered Pakistan's nuclear program. Congressmen present: S. Solarz, chairman of the subcommittee, J. Pritchard, B. Gilman, D. Ritter, L. Winn, and M. Levine. A dozen or so staffers also were present including subcommittee staff director William Barnds and Arch Roberts. The briefing was at the non-codeword level. My text was cleared by the DO.

2. Briefing Substance. Solarz said that the hearing was one of two (the second will be an open session) to be held on US aid to Pakistan and noted that the "nuclear proliferation" part was best treated in this executive session. [REDACTED]

3. Follow-up Arrangements. Arch Roberts approached me after adjournment and said that he wanted to visit Headquarters to get a more detailed briefing on Pakistan's nuclear progress and intentions (he and staff director Barnds originally were scheduled for such a briefing on 14 February). I encouraged him to contact LLD for this purpose and said I would be happy to meet with him. [REDACTED]
